

4Q Loss Prevention Event – Near Miss Reporting and Hand Safety

Contract Partner Engagement Response Needed!

October 7, 2010

To: Richmond Refinery Contract Partner – Supervisors and Leadership

This quarter, the Refinery will be engaged in our 4Q IIF Proactive - Loss Prevention Event, focusing on Near Miss Reporting and Hand Safety. This quarter the IIFLT is introducing “Thought Provokers”. Thought provokers are a way to continue the IIF conversation outside of normal staff meetings. You and your direct reports are encouraged to use the Thought Provokers in a way that best supports the development of an Incident and Injury Free environment at Richmond. We will also have three discussion topics to be integrated into your regularly scheduled, pre-existing staff meetings.

The Discussion Topics and Thought Provokers will be posted on the Incident and Injury Free Website, and have also been attached to this email for your use.

During the week of November 1, the IIFLT will be providing supervisors with a pair of gloves for each of their direct reports. The gloves will be distributed with the Holiday Gift Cards through IPC, Admin 101. Contract Partners will receive their gloves from their own company supervisors 1) Core Contractors - CNT MNT Mailroom or 2) Travelers - Turnaround Handout at the Lunch Tents.
